Become a part of an exciting and incredible Conference scheduled for 2010, in Galveston, Texas. We are inviting everyone across the Country to attend. Our speaker, from the Zig Ziglar Corporation will be fantastic! Courier Magazine's webinar will be **LIVE from the TCLA Conference**. Roundtables are a thing of the **PAST**; we are starting a new format called **"ROUNDROBIN"**. Each vendor will have the opportunity to visit with most all attendees during a rotating 15 minute period for a total of two hours with a 1 ½ hour lunch break in the middle. You should use the periods to break **UP** the ice, if the attendee is not already your customer, show them how partnering with you – their company will get on the **UP** swing, and **UP** their knowledge of your product. There will be plenty of additional time for you to visit one on one with any of the attendees. We are going to cap off Friday evening with a great dinner and a Texas Hold'em Tournament like you have never seen. Saturday morning will be for open discussion and more networking. You will have an exhibit table (no pipe and drape) with chairs for you and your visitors. You will be able to display materials that are free standing. Your company logo will be displayed on invitations and a full page ad in the program. Company promotional materials can be included in registration bags. We will only have room for 12 RoundRobin Tables – *Get yours while they last.*
